

CAMP BOB WALDORF FINANCIAL ASSISTANCE FORM

Thank you for applying for our Financial Assistance program. We are excited to have your camper attend Camp Bob Waldorf. Before you get started with the application, please note the following important information regarding the process:

- Campers must be enrolled for a camp session applying for Financial Assistance
- Financial Assistance is awarded based on the camper family's financial need and CBW's sliding scale.
- Documentation is required. This may include:
 - 2 most recent paystub (one for each parent/guardian in the household)
 - Camper family's most recent W2
 - Or other appropriate income related documentation
- If your family has extenuating circumstances the camp invites you to and will ask for more information.
- Financial Assistance will not cover the entire camp fee. Every family is asked to contribute towards the total camp fee in some way.
- Applications are processed on a case by case, confidential basis.
